Introduced by Assembly Member Mathis

January 5, 2015

An act to amend Section 12012.85 of the Government Code, relating to gaming.

LEGISLATIVE COUNSEL'S DIGEST

AB 76, as introduced, Mathis. Tribal gaming: regulatory costs.

Existing federal law, the Indian Gaming Regulatory Act of 1988, provides for the negotiation and execution of tribal-state gaming compacts for the purpose of authorizing certain types of gaming on Indian lands within a state. The California Constitution authorizes the Governor to negotiate and conclude compacts, subject to ratification by the Legislature.

Existing law ratifies a number of tribal-state gaming compacts between the State of California and specified Indian tribes. Existing law creates in the State Treasury the Indian Gaming Special Distribution Fund for the receipt and deposit of moneys received by the state from Indian tribes pursuant to the terms of gaming compacts entered into with the state. Existing law authorizes moneys in that fund to be used for certain purposes, including compensation for regulatory costs incurred in connection with implementing and administering tribal-state gaming compacts.

This bill would make technical, nonsubstantive changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.
